

# Temperature Conversion

---

**Name:** Allen Ben Philipose

**Reg No:** 18BIS0043

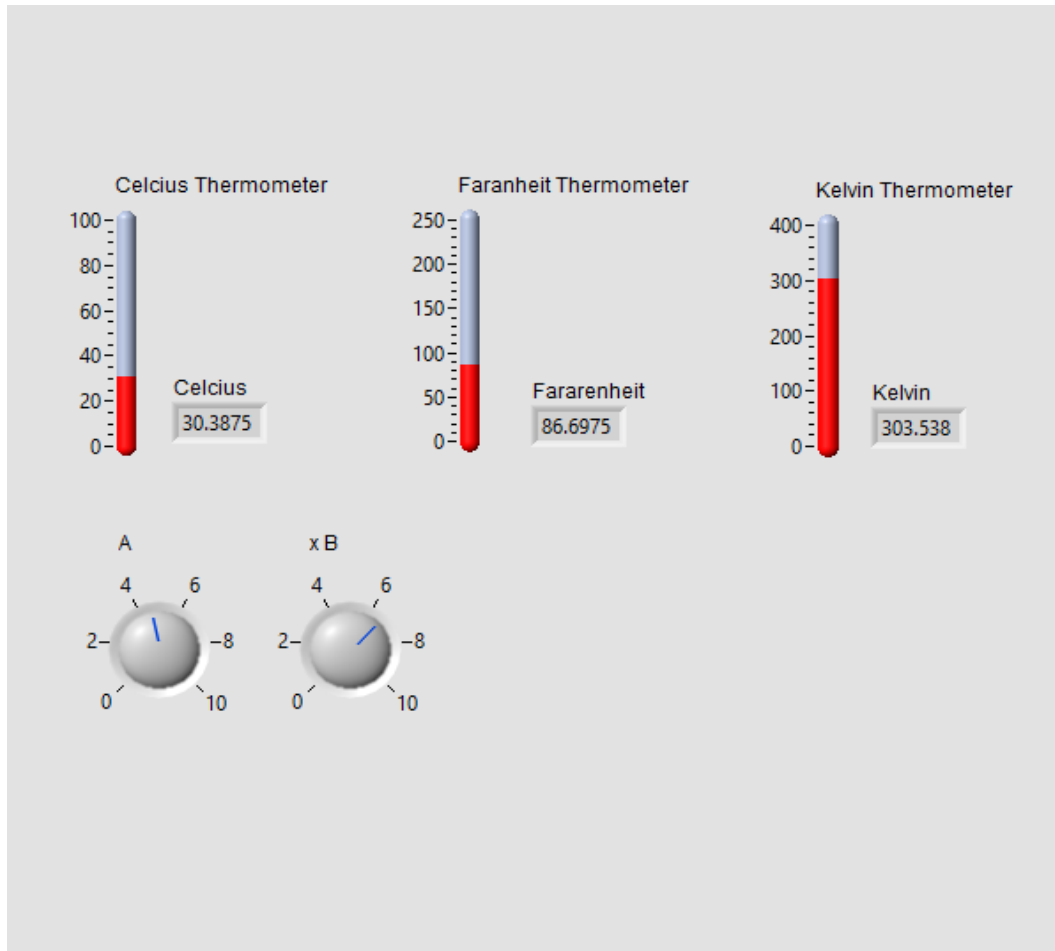

**Subject:** ECE2023

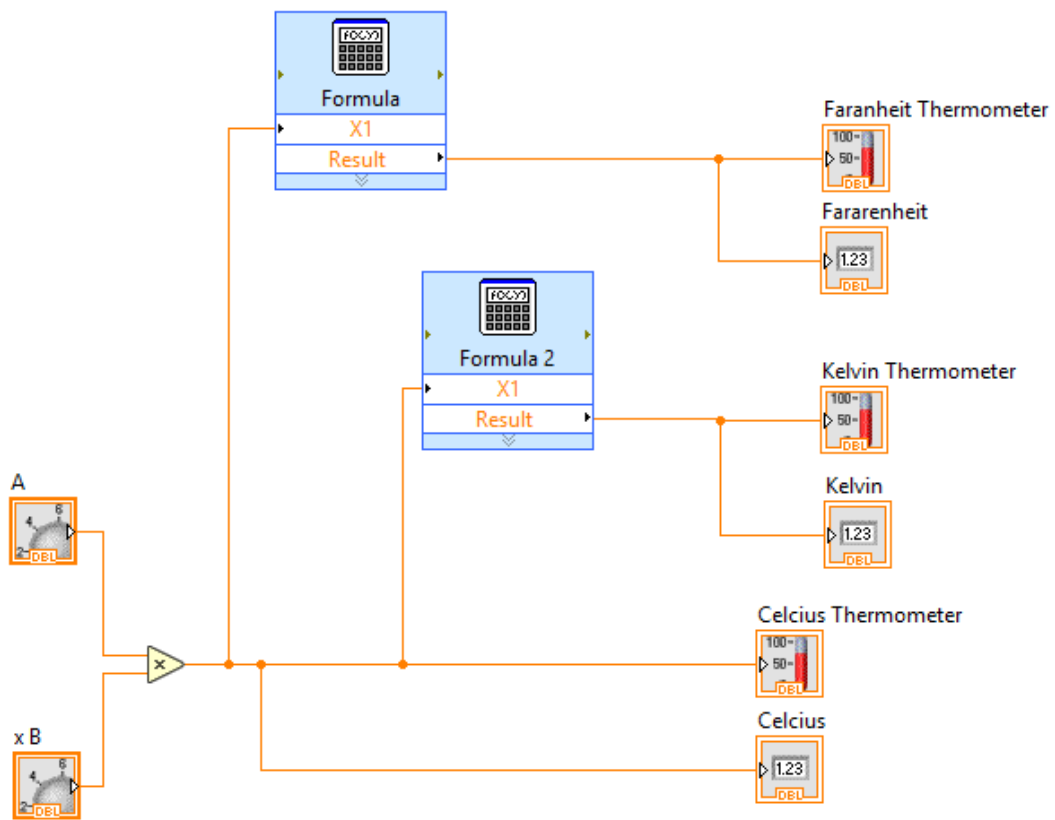

**Slot:** L15 + L16

1. Convert the given temperature from °C to °F

**Ans:**

Method 1: The input is the **product of the values** of the outputs of the knobs.

Method 2: The input is using a slide and a warning system for very low as well as very high temperatures
