

MultiLingualHelloWorld

```
classDiagram
    class MultiLingualHelloWorld
    class Repeat
    class Language
    class English
    class German
    class French
    class Dutch

    MultiLingualHelloWorld -- Repeat
    MultiLingualHelloWorld -- Language
    Language -- English
    Language -- German
    Language -- French
    Language -- Dutch
```

The diagram shows a class hierarchy. At the top is 'MultiLingualHelloWorld'. It has two associations: one to 'Repeat' (indicated by a small circle on the 'MultiLingualHelloWorld' side) and one to 'Language'. 'Repeat' has a note box attached to it containing the text 'Int times in [0..1000]' and 'times > 0'. 'Language' has four associations to 'English', 'German', 'French', and 'Dutch', which are grouped by a large arc.

Repeat

Int times in [0..1000]  
times > 0

Language

English

German

French

Dutch
