Test	test_write_flexi_table_with_preferred_width
Description	This test creates a PDF with a Table in it. The columns in the Table have a preferred width and height.

Diagram illustrating a 1D lattice with 18 sites. The sites are labeled with numbers 0 through 17. Above the lattice, there are four boxes representing the number of particles at each site. The boxes are labeled 1, 1, 3, and 1, corresponding to sites 2, 7, 9, and 14 respectively. The sites are arranged in a row, and the boxes are placed directly above the corresponding site numbers.
