

LTER IMExec meeting (via Zoom)

2017-07-12

Participants: M-Gastil-buhl (chair); Yang Xia; Jonathan Walsh (note taker)

Meeting Agenda:

IM Summer Meeting agenda

Lightning Talks:

~~Gastil will send out sign up for placeholder only (no topic needed) so time allotments can be figured.~~

Gastil will mention the lightning talk sign-up sheet in the message to the IMC, asking that anyone wanting a time slot reserved enter their name even if the title is TBD.

IMExec new member voting

Walsh will set up survey monkey to allow for one vote per person (action item leftover from previous meeting)

Topics for joint LTER-NCO-EDI discussion

face-time with NCO

Updates from NCO (ie status of BibDB, other network DBs)

Introduce Julian (Will be filling in for MARk Schildaur, who is retiring)

Face-time with EDI

Questions to ask EDI

1. data citation fmt saying EDI not LTER
2. EDI advisory group: how to bring up proj/issues?

gastil will paste in this outline later.

(see outline)"

This was moved to the very start of the meeting schedule
