

A low-angle, upward-looking photograph of several modern skyscrapers. The image is heavily stylized with a vibrant red overlay that covers most of the frame. A subtle, dark grid pattern is visible beneath the red overlay, particularly on the left and top portions. The perspective creates a sense of height and architectural scale.

Agenda

Problem

Dependency Nightmare

Solution

Let the thing be the thing

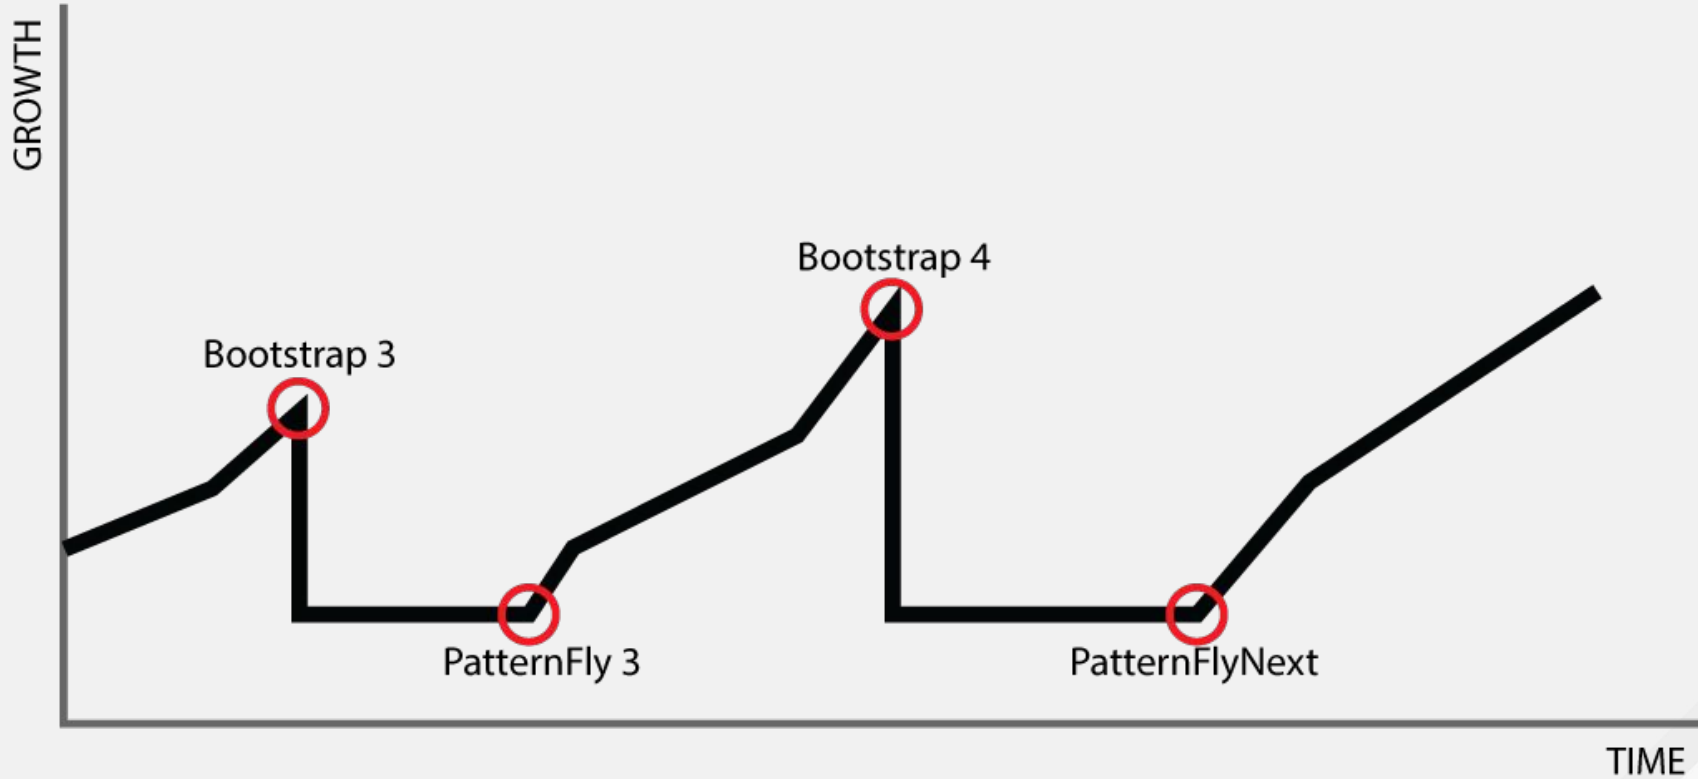

Demo

A close-up photograph of two hands clasped together. The hand on the right is wearing a red, white, and green plaid shirt and a gold-colored metal bracelet. The hand on the left is wearing a light-colored sleeve. The background is a soft, out-of-focus blue sky.

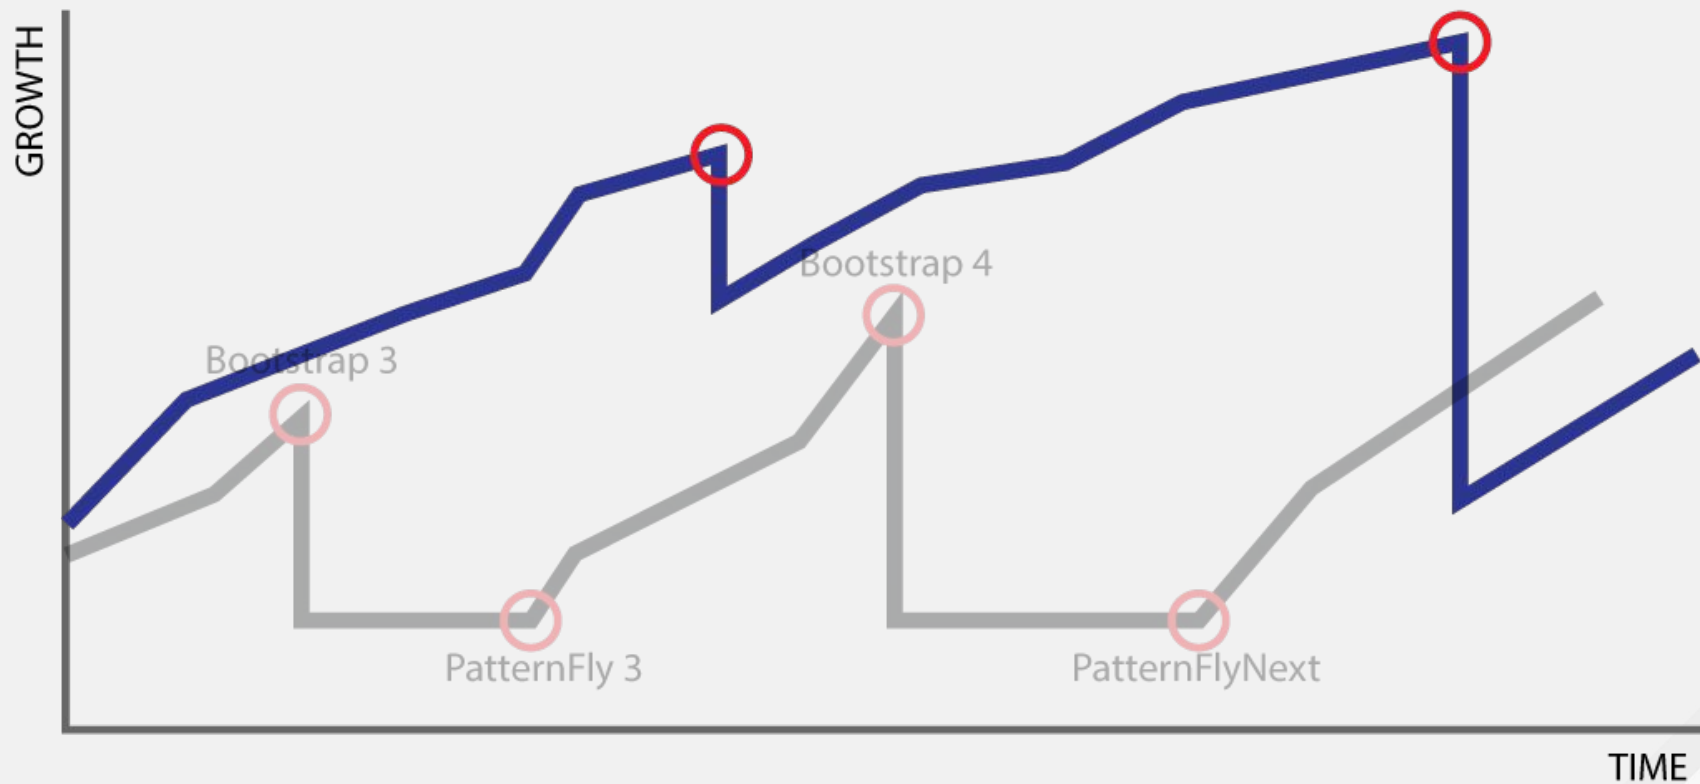

Bootstrap + PatternFly

PatternFly's architecture is intrinsically coupled with Bootstrap.

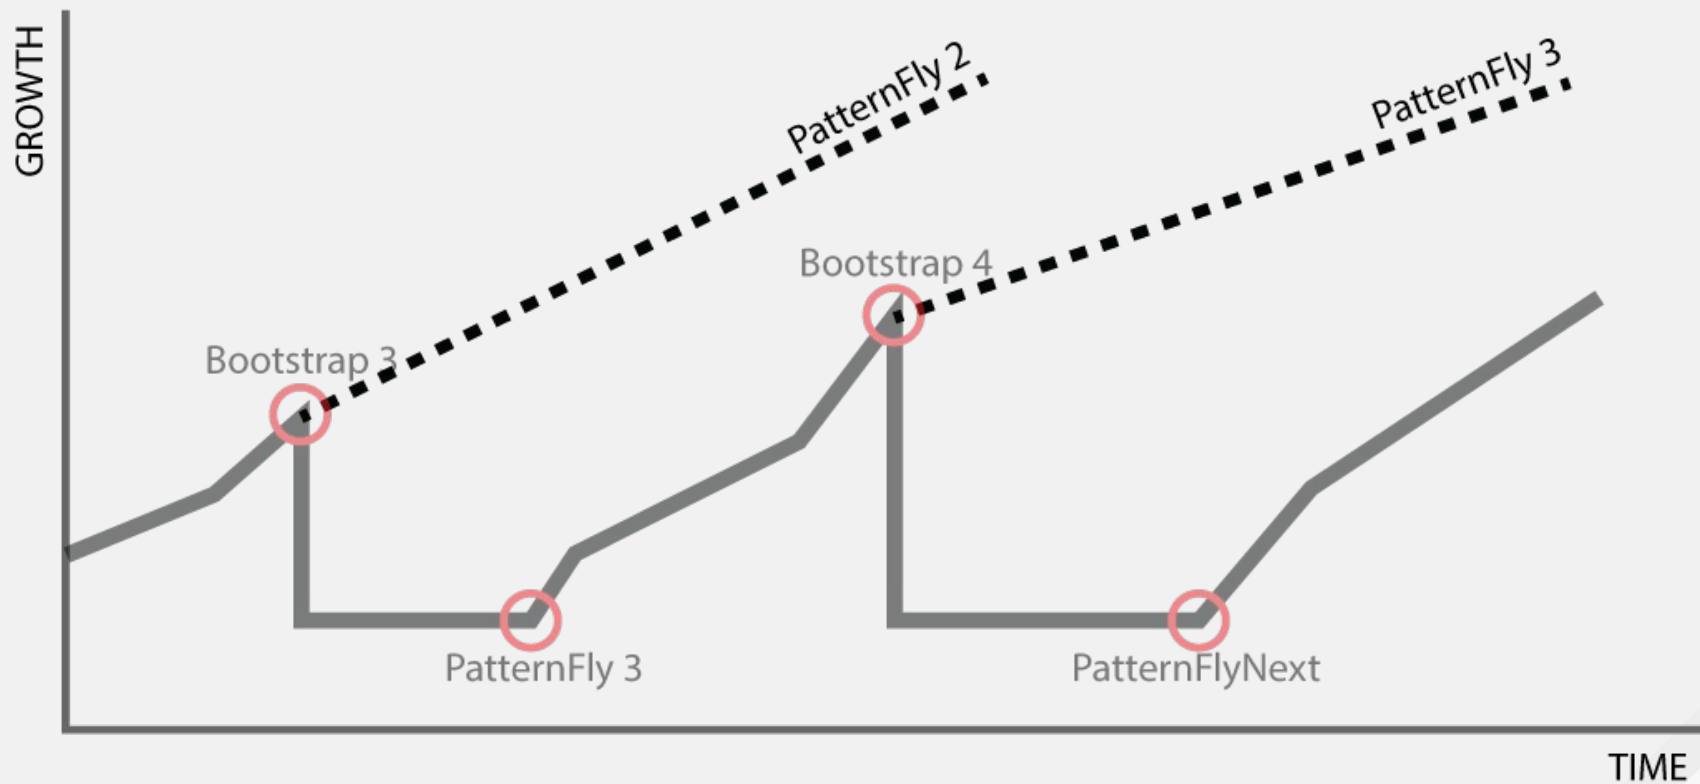

PatternFly Cycle

User Cycle

Fork Efforts

Plus this...

- Lack of CSS Docs
- Accessibility and responsive issues
- No component isolation
- High specificity
- Hard to adapt and change
